REPORT ITEMS

Report 1: 2017 business report

See Attachment I (pages 7-9).

Report 2: 2017 Audit Committee's review report

See Attachment II (page 10).

Report 3: 2017 employees' profit sharing bonus and Directors' compensation

1. The Company's profit of 2017 is NT\$ 4,577,559,611 (this is the pre-tax profit after deducting of the employees' profit sharing bonus and compensation for Directors). The proposed employees' profit sharing bonus and Directors' compensation are NT\$308,400,000 and NT\$89,500,000 respectively, and are to be distributed in cash.
2. These amounts were approved by the Board of Directors meeting on March 22, 2018.

Report 4: 2017 private placement of common shares execution report

1. The execution report is made and attached hereto as Attachment VI (pages 27-29).

PROPOSED ITEMS

Proposal 1:

Proposed by the Board

Adoption of the 2017 Business Report and Financial Statements.

Explanation:

1. The Company's Financial Statements, including the balance sheets, statements of comprehensive income, statement of changes in equity, and statements of cash flows, were audited by independent auditors, Ya-Ling Chen and Mei-Yen Chen of KPMG. In addition, the Financial Statements have been approved by the Board of Directors and have been examined by the Audit Committee of the Company.
2. The Business Report has been approved by the Board of Directors and has been examined by the Audit Committee of the Company.
3. The 2017 Business Report, independent auditors' audit report, and the above-mentioned Financial Statements are attached hereto as Attachments I (pages 7-9), III and IV (pages 11-25).

Proposal 2:

Proposed by the Board

Adoption of the proposal for distribution of 2017 profits.

Explanation:

1. The Company's net profit of 2017 is NT\$ 3,764,199,878. In accordance with Article 22-1 of the Articles of Incorporation, the 2017 profit allocation proposal is made and attached hereto as Attachment V (page 26).
2. The proposed dividend to shareholders is a cash dividend of NT\$7 per common share. Subject to the approval of the 2018 Annual Meeting of Shareholders, the Chairman of the Board will be authorized to determine the ex-dividend date and payment date. If the total amount of outstanding common shares changes owing to WIN redeeming its common shares and the distribution ratio for the cash dividend needs to be adjusted, the Chairman of the Board of Directors of WIN will be authorized by the General Shareholders Meeting to make such adjustments.
3. Distribution of cash dividend will be rounded down to an integer, and will authorize the Chairman to distribute the total rounded down amounts to specific persons for adjustment.

DISCUSSION ITEMS

Proposal 1:

Proposed by the Board

Proposal for release of Directors from non-competition restrictions.

Explanation:

1. According to Article 209 of the Company Act, a director who does anything for himself or on behalf of another person that is within the scope of the company's business, shall explain to the meeting of shareholders the essential contents of such an act and secure its approval.
2. Directors of the Company who participate in the operations of another company, that engages in the same or similar business scope as the Company hereby requests the shareholders' approval to release these directors and their proxies from the non-competition restrictions.

The positions that Directors concurrently engage in:

Name of Independent Director	The essential position the director engages in
Wei-Lin Wang	Independent Director, Fuzetec Technology Co., Ltd.

Proposal 2:

Proposed by the Board

Proposal for the issuance of Restricted Stock Awards ("RSA").

Explanation:

1. To retain and attract professional employees and remain competitive, and to ensure that employees interests are aligned with the interests of shareholders and the long-term value and profitability of the firm. For this reason, it is proposed to issue Restricted Stock Awards in accordance with Article 267 of the Company Act and the "Regulations Governing the Offering and Issuance of Securities by Securities Issuers" issued by Financial Supervisory Commission.
2. The number of shares issued by the Company under this plan shall not exceed 1,700,000 common shares, with par value NT\$10, for a total amount of NT\$17,000,000. The shares will be issued free to qualified employees. The issuance terms and conditions, qualification requirement for employees and the allocation of shares, the reason why it is necessary to issue restricted stocks for employees, the expensable amount, and the dilution of the Company's earnings per share and any other impact on shareholders' equity are attached hereto as Attachment VII (pages 30-31).
3. With respect to the issuance of RSA, the relevant restrictions, important agreement and any other matters not set forth here shall be dealt with in accordance with the applicable laws and regulations and the actual issuance plan set by the Company.

4. If some revision or adjustment has to be made due to the competent authority's instruction, amendment to the laws and regulations, or other objective circumstances, it is proposed that the Annual Shareholders' Meeting authorizes the Board of Directors or the appointed person by the Board with full power and authority to handle all the issues regarding the issuance of RSA.

III. ATTACHMENT

ATTACHMENT I: 2017 BUSINESS REPORT

For WIN, 2017 was both a challenging and a fruitful year. In 2017, apart from continuing strong growth in the area of microwave communications, we began mass production and shipment for optical devices during the second half of the year in response to the development of new consumer products. During the year, our efforts to develop III-V compound semiconductor technology, and to leverage the technology in other fields of applications, began to pay off significantly. Since the company was established in 1999, we have consistently hoped IDM customers worldwide would be able to increase their dependence on our process technology and production capacity, and ultimately decide to outsource all productions to WIN. After a long period of cultivation, at the end of last year, one of our major IDM customers decided to form a strategic alliance with us via private placement, which proved that our longstanding business model was correct. We believe that this kind of cooperation will have a demonstration effect, causing other IDMs to reduce their willingness to expand their capacity, and instead explore the possibility of cooperating with wafer foundries. It's also worth mentioning that Morgan Stanley Capital International (MSCI) formally announced that WIN was included for the first time on its Global Standard Indexes at the end of 2017. This not only affirmed our business performance, but also enabled WIN—already closely linked with the global wireless communications industry—to establish tighter ties with the global capital market.

The Company's revenues and profits grew by 25% and 21% in 2017, setting new highs for the company. But in spite of this success, we haven't forgotten the importance of continuously improving corporate governance. For the third time in a row, the Company was among the top 5% TPEX-listed companies in Taiwan's corporate governance assessment during the first half of 2017, which was both an encouragement and a goad. Although a company's business success may change with economic conditions, good corporate governance should be a manager's eternal rule. We will continue to maintain and enhance our corporate governance long-term and strive to boost shareholders' return on equity, and we are confident in our growth during 2018.

2017 operating results and 2018 outlook are reported as follow:

A. Operating Performance in 2017

1. Operating Performance

The Company's 2017 consolidated revenues totaled NT\$17,086,555 thousand, representing an increase of 25.42% compared to the year 2016. 2017 net profit attributable to owners of parent was NT\$ 3,764,200 thousand, representing an increase of 20.93% compared to the prior year, and EPS for 2017 was NT\$9.34.

2. Analysis of Receipts, Expenditures, and Profitability

Unit: NT\$ thousands; %

Items		2017 (Consolidated)	2016 (Consolidated)

3. Budget Implementation

The Company is not required to make public its 2017 financial forecast information; however, the Board of Directors approved the budget plan and the overall operating plan is in good condition.

4. Research and Development Status

The secret to maintaining leadership in the industry is to devote significant resources to the development of future technologies. We have accumulated close to 20 years of technology development experience, and have applied all of the technologies we have developed to our mainstream terminal products, which has powered our continuing growth momentum. Because we always stay close to our market, we are well aware of future trends, understand customers' needs, and can develop the most advanced technologies for our customers' use. We expect optical devices and 5G communications to be our chief engines of growth during the next few years. In the case of optical devices, we will continue to team up with customers to jointly develop new 3D sensing technology for use in handheld devices. We are also developing technologies for data center, AR/VR, and LiDAR related applications, and are being qualified by some of our customers. As for 5G communications applications, our microwave communications technology roadmap spans both the sub-6GHz and millimeter waves. We began developing relevant processes as early as several years ago, and our products are currently being qualified by our customers.

B. Business Plan in 2018

We continued to expand in 2017 with capital expenditures approaching NT\$4 billion. Apart from responding to demand during the peak season of that year, we also helped ensure that the world's first smartphones with a 3D sensing function were shipped on time, and laid the foundation for continued growth this year. During 2018, we will continue to expand capacity at our Fab C in Guishan Taoyuan. Beyond increasing our clean room space, we will continue to optimize our production line's efficiency and acquire new production machineries. As a result, we expect our capital expenditures during 2018 to be closed to the sum of our expenditures of the past two years, and our new capacity will increase by more than 20%.

C. Development Strategy

Our strategy has always been based on the advantages of R&D ability and mass production strength on III-V compound semiconductor technology, and we will continue employ a foundry business model as we expand our applications market from microwave to light waves. Looking ahead to the future, we are optimistic regarding the development of optical devices, especially 3-D sensing applications on handheld devices, which is an area where WIN is already a leader. According to projections issued by the market research organization Yole Development, the global value of 3-D image sensing functions will increase by a CAGR of close to 37.7% from 2017 to 2022. We look forward to the demand for optical devices growing rapidly with the emergence of even more handheld devices and brands during the next few years, as well as the increasing maturity of AR/VR applications and ADAS. In addition, we also have high expectations of 5G microwave communications applications, which will appear during the next few years. This is not merely because demand for power amplifiers will increase sharply as the frequency of handheld devices extends to sub-6 GHz in the 5G age, but also because demand for 5G infrastructure will increase to keep pace with applications, and base stations will require the high-frequency, high-power technologies that we specialize in. These technologies, including integrated millimeter waves components and GaN technology, will enable WIN to pull further ahead of competitors. We therefore expect optical devices and 5G to be the two major engines of WIN' growth during the coming years.

D. The Impact of the External Competitive Environment, Regulatory Environment, and Macroeconomic Environment

Although we have maintained our position as the GaAs foundry leader, there has been no let up in challenges from our competitors. In the face of pressure from customers to cut prices, new competitors' attempts to replicate, or even pirate, our business model and technology, and uncertainty concerning domestic legal and regulatory trends, we at WIN must constantly seek innovation and engage in R&D in order to maintain our technological leadership. And at the same time, we will also strengthen our information security in order to guard our business secrets and maintain our competitiveness. We further plan to establish various types of strategic alliances with customers in order to maintain our win-win relationships.

ATTACHMENT II: 2017 AUDIT COMMITTEE'S REVIEW REPORT

2017 AUDIT COMMITTEE'S REVIEW REPORT

The Board of Directors has prepared the Company's 2017 Business Report, Financial Statements (parent-company-only & consolidated), and proposal for allocation of earnings. The CPA firm of KPMG was retained to audit WIN's Financial Statements and has issued an audit report relating to the Financial Statements.

The Business Report, Financial Statements, and earnings allocation proposal have been reviewed and determined to be correct and accurate by the Audit Committee members of WIN Semiconductors Corp. According to relevant article 14-4 of the Securities and Exchange Act and article 219 of the Company Law, we hereby submit this report.

WIN Semiconductors Corp.
Chairman of the Audit Committee: Jin-Shih Lin

March 22, 2018

ATTACHMENT III: INDEPENDENT AUDITORS' REPORT AND 2017 CONSOLIDATED FINANCIAL STATEMENTS

Independent Auditors' Report

The Board of Directors of WIN Semiconductors Corp. :

Opinion

We have audited the consolidated financial statements of WIN Semiconductors Corp. and its subsidiaries ("the Group"), which comprise the consolidated balance sheets as of December 31, 2017 and 2016, the consolidated statements of comprehensive income, changes in equity and cash flows for the years ended December 31, 2017 and 2016, and notes to the consolidated financial statements, including a summary of significant accounting policies.

In our opinion, the accompanying consolidated financial statements present fairly, in all material respects, the consolidated financial position of the Group as at December 31, 2017 and 2016, and its consolidated financial performance and its consolidated cash flows for the years ended December 31, 2017 and 2016 in accordance with the Regulations Governing the Preparation of Financial Reports by Securities Issuers and with the International Financial Reporting Standards ("IFRSs"), International Accounting Standards ("IASs"), interpretations as well as related guidance endorsed by the Financial Supervisory Commission of the Republic of China.

Basis for Opinion

We conducted our audit in accordance with the Regulations Governing Auditing and Certification of Financial Statements by Certified Public Accountants and the auditing standards generally accepted in the Republic of China. Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Consolidated Financial Statements section of our report. We are independent of the Group in accordance with the Certified Public Accountants Code of Professional Ethics in Republic of China ("the Code"), and we have fulfilled our other ethical responsibilities in accordance with the Code. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis of our opinion.

Key Audit Matters

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the consolidated financial statements for the year ended December 31, 2017. These matters were addressed in the context of our audit of the consolidated financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters. In our judgment, the key audit matters we communicated in the auditors' report were as follows:

1. Evaluation of inventory

Please refer to Note 4(h) "Inventories" for accounting policies, Note 5(a) for accounting assumptions, judgments and estimation uncertainty of inventories, and Note 6(d) for the amount of loss on valuation of inventories of the consolidated financial statements.

Due to the industry demand, WIN Semiconductors Corp. and its subsidiaries store a high ratio of precious metals which result in a lower inventory turnover. Therefore, the Group cannot require sufficient information on inventories that were sold or used on the reporting

date. Since the technology changes rapidly, the inventory may be out of date or may not conform to market demand, resulting in a risk wherein the carrying amount of inventories may exceed its net realizable value.

How the matter was addressed in our audit:

Our principal audit procedures included: Testing the accuracy of the estimations of inventories at the lower of cost and net realizable value. Referring to the recent selling price and considering the amount of written off inventories in the subsequent events to evaluate the appropriateness of the amount of loss on valuation of inventories or obsolescence. Analyzing the historical accuracy of judgments, including inspecting the amount of loss on valuation of inventories or obsolescence recognized in prior year and with reference to actual disposal to assess rationality of the judgments of the current period. Moreover, comparing with the provision for inventories valuation and obsolescence made in the current year to evaluate the appropriateness of the assumptions.

2. Assessment of goodwill impairment

Please refer to Note 4(o) “Impairment of non financial assets” for accounting policies, Note 5(b) for accounting assumptions, judgments and estimation uncertainty of assessment of goodwill impairment, and Note 6(g) for the illustration of acquisition of subsidiary and non controlling interests of the consolidated financial statements.

WIN Semiconductors Corp. and its subsidiaries periodically assess and perform their impairment test of goodwill based on the recoverable amount that is calculated by using the value in use method. The value in use method takes into account by predicting the future cash flow, and is decided by applying the discount rate. Since the assessment of goodwill impairment relies on the subjective judgment and estimation made by the management, it has been identified as a key audit matter.

How the matter was addressed in our audit:

Our principal audit procedures included: Assessing the rationality of method used in measuring the recoverable amount, which is provided by the management of the Group, including evaluating the appropriateness of assumption and estimation on major parameters, such as the forecast of cash flow and discount rate. Comparing with the historical accuracy of judgments, including inspecting the amount of forecast of cash flow in prior year and with reference to actual cash flow to evaluate the appropriateness of the assumptions. Performing the sensitivity analysis on main assumption.

Other Matter

WIN Semiconductors Corp. has prepared its parent company only financial statements as of and for the years ended December 31, 2017 and 2016, on which we have issued an unmodified opinion.

Responsibilities of Management and Those Charged with Governance for the Consolidated Financial Statements

Management is responsible for the preparation and fair presentation of the consolidated financial statements in accordance with the Regulations Governing the Preparation of Financial Reports by Securities Issuers and with the IFRSs, IASs, IFRIC as well as SIC endorsed by the Financial Supervisory Commission of the Republic of China, and for such internal control as management determines is necessary to enable the preparation of consolidated financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the consolidated financial statements, management is also responsible for

assessing the Group's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Group or to cease operations, or has no realistic alternative but to do so.

Those charged with governance (including members of the Audit Committee) are responsible for overseeing the Group's financial reporting process.

Auditor's Responsibilities for the Audit of the Consolidated Financial Statements

Our objectives are to obtain reasonable assurance about whether the consolidated financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with the auditing standards generally accepted in the Republic of China will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these consolidated financial statements.

As part of an audit in accordance with the auditing standards generally accepted in the Republic of China, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

1. Identify and assess the risks of material misstatement of the consolidated financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
2. Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Group's internal control.
3. Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
4. Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Group's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditors' report to the related disclosures in the consolidated financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditors' report. However, future events or conditions may cause the Group to cease to continue as a going concern.
5. Evaluate the overall presentation, structure and content of the consolidated financial statements, including the disclosures, and whether the consolidated financial statements represent the underlying transactions and events in a manner that achieves fair presentation.
6. Obtain sufficient and appropriate audit evidence regarding the financial information of the entities or business activities within the Group to express an opinion on the consolidated financial statements. We are responsible for the direction, supervision and performance of the Group audit. We remain solely responsible for our audit opinion.

We communicate with those charged with governance regarding, among other matters, the

planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the consolidated financial statements for the year ended December 31, 2017 and are therefore the key audit matters. We describe these matters in our auditors' report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

The engagement partners on the audit resulting in this independent auditors' report are Ya Ling Chen and Mei Yen Chen.

ATTACHMENT IV: INDEPENDENT AUDITORS' REPORT AND 2017 PARENT-COMPANY-ONLY FINANCIAL STATEMENTS

Independent Auditors' Report

The Board of Directors of WIN Semiconductors Corp. :

Opinion

We have audited the financial statements of WIN Semiconductors Corp. (“the Company”), which comprise the balance sheets as of December 31, 2017 and 2016, the statements of comprehensive income, changes in equity and cash flows for the years ended December 31, 2017 and 2016, and notes to the financial statements, including a summary of significant accounting policies.

In our opinion, the accompanying financial statements present fairly, in all material respects, the financial position of the Company as at December 31, 2017 and 2016, and its financial performance and its cash flows for the years ended December 31, 2017 and 2016 in accordance with the Regulations Governing the Preparation of Financial Reports by Securities Issuers.

Basis for Opinion

We conducted our audit in accordance with the Regulations Governing Auditing and Certification of Financial Statements by Certified Public Accountants and the auditing standards generally accepted in the Republic of China. Our responsibilities under those standards are further described in the Auditor’s Responsibilities for the Audit of the Financial Statements section of our report. We are independent of the Company in accordance with the Certified Public Accountants Code of Professional Ethics in Republic of China (“the Code”), and we have fulfilled our other ethical responsibilities in accordance with the Code. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis of our opinion.

Key Audit Matters

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the financial statements for the year ended December 31, 2017. These matters were addressed in the context of our audit of the financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters. In our judgment, the key audit matters we communicated in the auditors’ report was as follows:

Evaluation of inventory

Please refer to Note 4(g) “Inventories” for accounting policies, Note 5 for accounting assumptions, judgments and estimation uncertainty of inventories, and Note 6(d) for the amount of loss on valuation of inventories of the parent company only financial statements.

Due to the industry demand, WIN Semiconductors Corp. stores a high ratio of precious metals which result in a lower inventory turnover. Therefore, the Company cannot obtain sufficient information on inventories that were sold or used on the reporting date. Since the technology changes rapidly, the inventory may be out of date or may not conform to market demand, resulting in a risk wherein the carrying amount of inventories may exceed its net realizable value.

How the matter was addressed in our audit:

Our principal audit procedures included: Testing the accuracy of the estimations of inventories at the lower of cost and net realizable value. Referring to the recent selling price and considering the amount of written off inventories in the subsequent events to evaluate the appropriateness of the amount of loss on valuation of inventories or obsolescence. Analyzing the historical accuracy of judgments, including inspecting the amount of loss on valuation of

inventories or obsolescence recognized in prior year and with reference to actual disposal to assess rationality of the judgments of the current period. Moreover, comparing with the provision for inventories valuation and obsolescence made in the current year to evaluate the appropriateness of the assumptions.

Responsibilities of Management and Those Charged with Governance for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with Regulations Governing the Preparation of Financial Reports by Securities Issuers and for such internal control as management determines is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is also responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

Those charged with governance (including members of the Audit Committee) are responsible for overseeing the Company's financial reporting process.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with the auditing standards generally accepted in the Republic of China will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with the auditing standards generally accepted in the Republic of China, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

1. Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
2. Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Company's internal control.
3. Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
4. Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.

5. Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.
6. Obtain sufficient and appropriate audit evidence regarding the financial information of the investment in other entities accounted for using the equity method to express an opinion on this financial statements. We are responsible for the direction, supervision and performance of the audit. We remain solely responsible for our audit opinion.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the financial statements for the year ended December 31, 2017 and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

The engagement partners on the audit resulting in this independent auditors' report are Ya Ling Chen and Mei Yen Chen.

If there is any net profit after closing of a fiscal year, the Corporation shall first pay business income tax, offset losses in previous years, set aside a legal capital reserve at 10% of the profits left over, provided that no allocation of legal reserve is required if the accumulated legal reserve is equivalent to the total capital amount of the Corporation; and then set aside or rotate special reserve according to the rule set out by the government authority in charge. If there is still remaining balance, the Board of Directors should draw up a meeting regarding the issue of profit distribution and report to the shareholders' meeting for the resolution of the distribution of the dividend, in which cash dividend shall not be lower than 10% of entire dividend.

As the Company is a high-tech firm with intensive capital expenditure, conditions, timing, amount and kinds of the above-stated dividend policy may be adjusted, taking into account economic cycles, industry change and the Company's growth and cash demand.

IV. APPENDIX

APPENDIX I: RULES AND PROCEDURES OF SHAREHOLDERS' MEETING

WIN Semiconductors Corp. Rules and Procedures of Shareholders' Meeting

Approved by the AGM on June 24, 2016

1. Unless otherwise provided for in applicable laws and regulations or the Company's Articles of Incorporation, Shareholders' Meeting Rules and Procedures of the Company shall comply with the following articles.
2. The shareholders or their appointed proxies are referred to as shareholders on these articles.
3. Shareholders' meetings (the "Meeting") shall be held at the Company's premises or at another place that is convenient for shareholders to attend and suitable for a Meeting. The Meeting shall not start earlier than 9:00 AM or later than 3:00 PM.
4. The Company may appoint retained lawyers, certified public accountants or related persons to participate in the Meeting.
5. The Company shall provide a sign-in book allowing attending shareholders to sign in or require attending shareholders to submit attendance cards in lieu of signing in. Shareholders shall be admitted to the Meeting on the basis of attendance passes, attendance cards, or other attendance documents; those persons soliciting proxy forms shall be required to present identification documents for checking identities. When the government or a legal entity is a shareholder, more than one representative may attend the Meeting. However, a legal entity serving as proxy to attend the Meeting may appoint only one representative to attend.
6. Voting and attendance at the Meeting shall be based on number of shares. If a shareholder requests counting of number of the attendees, the chairman may turn it down. After such request was made, a resolution is duly passed should the attendance constitute the quorum if a voting is made on an agenda item. Shares of shareholders without voting rights shall not be included in the total number of issued and outstanding shares when voting on resolutions. If there is concern that a shareholder's interest may conflict with and adversely affect the Company's interests with regard to any matters discussed at the Meeting, such shareholder may not participate in voting, and may not represent another shareholder to exercise his or her voting rights. The number of shares of those persons not permitted to exercise their voting rights in the foregoing paragraph shall not be included in counting the total number of voting shares for attending shareholders.

Except in the case of a trust enterprise or securities proxy organization approved by the securities competent authority, the proxy voting rights of a person serving as a proxy for two or more shareholders may not exceed 3% of total issued and outstanding shares voting rights; if it does exceed 3%, the excess portion shall not be counted.

7. The Chairman of the Board of Directors shall be the chairman presiding at the Meeting in the case that the Meeting is convened by the Board of Directors. If, for any reason, the Chairman of the Board of Directors cannot preside at the Meeting, the Vice Chairman of the Board of Directors or one of the Directors shall preside at the Meeting in accordance with Article 208 of the Company Law of the Republic of China.

If the Meeting is convened by any person entitled to convene the Meeting other than the Board of Directors, such person shall be the chairman to preside at the Meeting. If there is more than one such person entitled to convene the Meeting, those persons shall nominate amongst themselves to be the Meeting's chairman.

The notifications and announcements shall state the reasons for the Meeting. The election or discharge of directors, the amendment of this Company's Articles of Incorporation, the dissolution, merger, or spin-off of the Company, or the matters specified in the Article 185, Paragraph 1 of the Company Law, or Article 26-1 or Article 43-6 of the Securities and Exchange Law shall be listed among the reasons for the Meeting, and may not be proposed as provisional motions.

8. The Company shall locate the surveillance video taping at the entrance of the Meeting place, and the proceeding of the Meeting shall be audio recorded and videotaped and these tapes shall be preserved for at least one year. However, the said audio and video tapes shall be preserved until the conclusion of the lawsuit if a shareholder initiates a lawsuit in accordance with Article 189 of the Company Law.
9. The chairman shall call the Meeting to order at the time scheduled for the Meeting. If the number of shares represented by the shareholders present at the Meeting has not yet constituted the quorum at the time scheduled for the Meeting, the chairman may postpone the time for the Meeting. The postponements shall be limited to two times at the most and the Meeting shall not be postponed for longer than one hour in the aggregate. If after two postponements, the number of shares represented by the attending shareholders has not yet constituted more than one-third of all issued and outstanding shares, the chairman shall announce the termination of the Meeting.

If after two postponements no quorum can yet be constituted but the shareholders present at the Meeting represent more than one-third of the total outstanding shares, tentative resolutions may be made in accordance with Section 1 of Article 175 of the Company Law of the Republic of China, and shareholders shall be notified to attend another shareholders' meeting to approve the tentative resolutions within one month.

If during the process of the Meeting the number of outstanding shares represented by the shareholders present becomes sufficient to constitute the quorum, the chairman may submit the tentative resolutions to the Meeting for approval in accordance with Article 174 of the Company Law of the Republic of China.

10. The agenda of the Meeting shall be set by the Board of Directors if the meeting is convened by the Board of Directors. Unless otherwise resolved at the Meeting, the Meeting shall proceed in accordance with the agenda.

The above provision applies mutatis mutandis to cases where the Meeting is convened by any person, other than the Board of Directors, entitled to convene such meeting.

Unless otherwise resolved at the Meeting, the chairman cannot announce adjournment of the Meeting before all the items (including provisional motions) listed in the agenda are completed.

11. When a shareholder attending the meeting wishes to speak, a speech note should be filled out with summary of the speech, the shareholder's account number (or the number of attendance card) and the account name of the shareholder. The chairman shall determine the sequence of shareholder's speeches.

If any attending shareholder at the Meeting submits a speech note but does not speak, no speech should be deemed to have been made by the shareholder. In case the content of the speech of a shareholder is inconsistent with the content of the speech note, the content of actual speech shall prevail.

The same shareholder may not speak more than twice concerning the same item without the chairman's consent, and each speech time may not exceed five minutes. The chairman may stop the speech of any shareholder who violates the above provision or exceeds the scope of the agenda item.

Unless otherwise permitted by the chairman and the speaking shareholder, no shareholder shall interrupt the speech of the speaking shareholder, otherwise the chairman shall stop such interruption.

When a legal-entity shareholder has appointed two or more representatives to attend the Meeting, only one representative can speak for each agenda item.

The chairman may respond himself/herself or designate another person to respond after the speech of attending shareholder.

12. Unless otherwise listed in the agenda items, there shall be no discussion or voting. The chairman must provide sufficient time for the explanation and discussion of all items on the agenda and amendments and provisional motions submitted by shareholders; the chairman may announce an end of discussion and submit an item for a vote if the chairman deems that the agenda item is ready for voting. If the item(s) discussion of which was ended by the chairman is announced by the chairman to submit for voting(s), the votings may be conducted at same time, but each agenda item shall be voted separately.

13. Except otherwise specified in the Company Law or the Company's Articles of Incorporation, a resolution shall be adopted by a majority of the votes represented by the attending shareholders. An agenda item shall be deemed approved and shall have the same effect as if it was voted by casting ballots if no objection is voiced by all the attending shareholders after solicitation by the chairman.
14. If there is amendment to or substitute for an agenda item, the chairman shall decide the sequence of voting for such original agenda item, the amendment and the substitute. If any one of them has been approved, the others shall be deemed vetoed and no further voting will be necessary.
15. The chairman shall appoint persons to handle checking and counting ballots during votes on agenda items. However, the persons responsible for checking ballots must be shareholders. The ballots shall be publicly counted at the Meeting venue and the results of voting shall be announced at the Meeting and placed on record.
16. During procession of the Meeting, the chairman may announce recession. In case of force majeure, the chairman may determine to suspend the Meeting and announce the time of resuming the Meeting. In accordance with Article 182 of the Company Law of the Republic of China, the shareholders may have resolution to extend or continue the Meetings in five days.

Before the agenda (including provisional motions) set for the Meeting are completed, if the Meeting place cannot continue to be used, a new place will be located for resumption of the Meeting.
17. Persons handling affairs of the Meeting shall wear identification cards or arm badges. The chairman may order disciplinary officers or security guards to assist in keeping order in the Meeting place. Such disciplinary officers or security guards shall wear arm badges marked "Disciplinary Personnel" when assisting in maintaining order in the Meeting place.

If the Meeting place is equipped with loudspeaker equipment, the chairman shall stop any shareholders using equipment not installed by the Company from speaking.

The chairman shall order disciplinary officers or security guard to escort any shareholders who violate these Rules and Procedures and fail to heed the chairman's correction, or disrupt the proceeding of the Meeting and fail to desist, to leave the Meeting place.
18. If the election of directors is conducted during the Meeting, such an election shall be performed in accordance with the Company's Rules for Election of Directors and Supervisors, and the results must be announced at the Meeting.

The ballots casts in the election in the forgoing paragraph shall be sealed and signed by the persons responsible for checking ballots and kept for at least one year. If a shareholder initiates a lawsuit in accordance with Article 189 of the Company Law, ballots shall be kept until the end of the lawsuit.

19. Resolutions made at the Meeting shall be complied in the form of minutes. The chairman shall affix his signature or seal to the minutes, which shall be issued to shareholders within 20 days after the end of the Meeting.

With regard to the issue of minutes in the forgoing paragraph, the minutes may be distributed in the form of an announcement on the Market Observation Post System Website.

The minutes must faithfully record the Meeting's date (year, month, day), place, chairman's name, resolution method, summary of proceeding and results of resolutions.

The minutes of the Meeting shall be preserved for as long as the Company exists.

“There is no objection from any shareholders after solicitation by the chairman and the resolution is passed “shall be recorded in the minutes if no objection is voiced after solicitation by the chairman before an agenda item is put to a vote. If there are any objections, however, the resolution method, the number of approval votes cast and the percentage of the approval votes as to total votes shall be recorded in the minutes.

If any resolutions made by the Meeting are material information pursuant to the applicable laws and regulations or the Taiwan Stock Exchange Corporation's (Taipei Exchange's) regulations, the Company shall transmit the content of such resolutions to the Market Observation Post System Website within the specified period of time.

20. Shareholders attending the Meeting shall have the obligation to observe Meeting rules, obey resolutions and maintain order at the Meeting place.

21. These Rules and Procedures shall be effective from the date it is approved by the Shareholders' Meeting. The same applies in case of revision.
